# Bible reading and discussion

Read the story of creation in your bibles- what is your favourite thing in God's creation?

**Older children** find in your Bibles Genesis and read Chapters 1 and 2.

What did God say about all of his creation?

What did God decide to do in Genesis 1 v 26?

What did God say to the humans he had created? V 28-30

Read Psalm 50 v 10-11 and Colossians 1 v 16. What do these passages tell us about what God thinks of creation?

Genesis 2 & 3 speak about the fall - of sin entering the world. We are living with the consequences of sin in our world. Read Hosea 4 v 1-3.

What actions in our world are affecting our planet? We all need Jesus to bring healing to our earth.

What difference does knowing Jesus make in our lives?
